BOW VALLEY SUB-LOCAL A. T. A. SPORTS DAY

This event took place last Friday on the Strathmore School Track. The weather was very cold in the morning but warmed up in the afternoon. Sixteen schools have the right to enter this meet, of these thirteen took part and, of the remaining three, two were under instructions of the M. H. O. not to enter competitors, because of the presence of chicken pox in those areas. So there were thirteen competing schools out of a possible fourteen. This is very gratifying to all concerned.

At the meet on the 29th May under the auspices of the Bow Valley Inter-School Track and Field Association, all first and seconds in all events, except in relays (when the winning team only will be eligible) will compete from this centre and six others.

A complete list of winners also of pin and shield awards follows—.

NOTICE— RE DIPHTHERIA

Owing to the presence of Diphtheria in Calgary and vicinity the local Board of Health have recommended that all children of school age and pre-school age (down to six months) be inoculated against this disease. No charge is made to the parents for this service.

If you wish your children to be inoculated please sign this slip and return to the teacher at once.

J. W. GIFFEN, M. H. O.

I desire my child or children

to be inoculated for diphtheria.

Signed
The above notice has been sent to parents of school children. All are urged to take advantage of this service.

JR. LIVESTOCK CLUB FAIR AND SALE

Strathmore Junior Livestock Club Members, the long looked for Club Fair and Sale is now at hand.

The sale will be held on Thursday May 28th.

Sponsoring organization is the Strathmore School Fair Association.

B. J. Whitbread, Dist. Agriculturist.

Former Pastor Anniversary Preacher United Church May 31

Rev. A. H. Rowe, B.A. of Glenoch, a former pastor of the local United Church has been secured by the Board as Anniversary preacher for the Sunday of May 31st. Mr. Rowe can be relied upon to bring thoughtful messages for the morning and evening services of that day. His many friends will be glad to renew old associations.

WEDDING

Anderson—Malton

A wedding of interest in both Alberta and Vancouver, B. C., was solemnized quietly today (Thursday) May 21st, with the immediate relatives and friends of the family attending, at the home of Mr and Mrs H. C. Willson of Strathmore, when their niece Miss Mary Evelyn (Mollie) Malton of Vancouver, B. C., only daughter of Mr and Mrs George W. Malton of Moose Jaw, Sask., became the bride of P. O. Liston Anderson, R.C.A.P., son of Mr and Mrs W. E. G. Anderson of Drumheller.

Given in marriage by her father the bride looked lovely in a dressmaker suit of Periwinkle blue boucle wool, with matching hat and accessories in nigger brown suede. She carried a small brown afternoon bag on which was pinned a double corsage of But-terfly roses and Swansonia.

The bride's only ornament was a necklace and pendant of small pearls and aqua marine, worn by the bride's mother on her wedding day, a gift from the bride's father.

The bridesmaid was Miss Irene Leckie of Calgary who chose a suit of navy silk with matching hat and corsage of pale pink Carnations and Forget-me-nots.

The groom was supported by his brother, Mr John Anderson of Drumheller, Alta.

The groom who recently graduated from A. N. S. at Rivers, Manitoba, received his commission at that time.

The bride's mother wore an afternoon frock of hyacinth blue sheer, topped with a navy crepe redingote, and small matching navy sailor with touches of dusty rose, and corsage of crimson roses.

The wedding music was played by Mrs M. S. Hirtle of Strathmore.

After the ceremony performed by Rev. S. R. Hunt of Strathmore United Church, a reception was held at which the toast to the bride was proposed by Mr H. C. Willson and responded to by the groom.

The house looked very attractive decorated with a profusion of roses and apple-blossoms.

The table centred by a three tier wedding cake and flanked by small silver vases of rosebuds and orange

TOWN COUNCIL

A meeting of the Health Board was held in the Town Hall, the findings of which will be shown by a letter from the M. H. O. in this paper.

Following the Health meeting the Town Council held its regular meeting and were unanimous in endorsing the decision of The Board of Health with regard to measures to be taken for the prevention of an outbreak of diphtheria.

M. S. Hirtle was given the contract to construct 450 feet of cement sidewalk on Railway Ave. near the school.

Re complaints about a number of horses that are running around loose the Council felt they had been very lenient with offenders in past years and it was decided that if any further complaints are made to Council, action will be taken, without further notice.

Traffic signs have been placed at all corners considered dangerous. More may be put up as required.

Business was wound up with despatch and adjournment was moved about 9.30.

Illies and cream tapers in silver candle sticks, was laid with a hand-made lace cloth and presided over by Mrs H. C. Willson, and Mrs A. Spence of Calgary.

Those assisting in serving were Mrs Don Pittard of Calgary, Miss Isabel Longmate of Drumheller, and Miss Betty and Miss Irene Willson of Strathmore, cousins of the bride.

For travelling the bride wore a smart wool tweed suit in American Eagle Gold with small gold suede off the face hat and brown alligator bag and shoes.

After a brief honeymoon spent in the mountains the young couple will go east to Charlottetown, P. E. I., where P. O. Anderson has been posted.

Out of town guests included Mr and Mrs G. W. Malton, Moose Jaw, Sask. Mr and Mrs W. E. G. Anderson, Mr John Anderson, Miss Isabel Longmate and Mr M. G. Gourley all of Drumheller.

Mr and Mrs A. Spence, Mr and Mrs Don Pittard, Miss Irene Leckie, Calgary, Mr and Mrs W. Weicker, Trochu, and Mrs John Miles MacInnis of Acme.

THE "OUT-SIDE"

● Publishers have been notified that the only potatoes that can legally be sold or advertised as seed potatoes are those that have been certified as seed potatoes by the Dominion Department of Agriculture. Official tags are issued by the department for the potatoes that are certified.

● Because of the shortage of labor, the Port Hope cemetery board announced it had purchased a flock of 40 sheep to crop grass in the Union, St. John's and Catholic cemeteries at Port Hope, Ont. The board is responsible for maintenance of all three cemeteries and could not find men to cut the grass.

● Canada's \$2,000,000 army train, visited by 800,176 persons in its three months, 15,000 mile tour has left Ottawa for Montreal where it will be dismantled. Travelling showcase of Canadian army equipment, the train under command of Lt.-Col. J. E. McKenna made 200 stops during its tour of the Dominion.

● 7 total of two million cigarettes will be distributed among Canadians inland, sea and air forces now on active service overseas, as a gift from the Dods Medicine Company, Limited Toronto, maker of Doid's Kidney Pills. This is understood to be one of the largest individual gifts of Canadian-made cigarettes to the Canadian Forces on active service overseas, and distribution will be carried out through the facilities of the Overseas League (Canada) Tobacco Fund, Toronto.

● The best principles of Communism will be adopted as a result of Russia's stand against Hitler in the same way as the principles of democracy were spread through the world by the French revolution, Dr Stanley Russell suggested to a congregation in Howard Park United church in Toronto. He said "Russia has passed from extremism to practical politics and is ahead of us on a road we shall have to travel." The evening service at the church was in the form of a "salute to Russia" with a Russian choir in native costume.

● Dr. Sherwood Eddy Coming to Alberta—

The Alberta School of Religion will meet at Fairweather camp, 12 miles west of Calgary, July 21-30. The lecturer from "country other than our own" will be Dr. Sherwood Eddy of New York. Dr. Eddy will give a series of talks on "Discovering God" and popular lectures on Asia, Russia, "Winning the War and the Peace." For full particulars apply to A. H. Rowe, Glenoch, or H. M. Horricks, Medicine Hat.

● Hussar S. D. Merged With Bow Valley—

Hussar school district, No. 3242, is to be included in the Bow Valley S. D. No. 43, according to an order published by Premier Abernethy, who is minister of education.

The notice states there was no demand for a vote for or against the inclusion of the school district, 60 miles east of Calgary, in the school division, within the required 21 days after notices for telling the action were posted.

The order takes effect January 1st, 1943.

THERE TOO, GO!!

Wherever war with its black woes
Or flood, or fire, or famine goes
There, too, go!!

Wherever strength and skill can bring
Success to human suffering
There, too, am I!

I go wherever men may dare,
I go wherever woman's care
And love can live—

If earth in any quarter quakes
Or pestilence its ravage makes
My help I give.

The cross which on my arm I wear,
The flag which o'er my breast I bear
Are but the sign;

I am the ambassador for you
I do what you would surely do
If you were there!

By M. H.

The ball team last Sunday won in two ball games, one with Valley Gardens and the other with Elwood.

Mrs Eddie Risdon of Calgary is spending some time visiting with her parents Mr and Mrs Stoodley.

Reg. Thurston left for Vancouver last Wednesday after spending a short leave at home.

The Women's Institute held a very interesting meeting at the hall last Friday. Plans were made for a dance in the near future. Red Cross work was distributed and many items of common interest were discussed. The next meeting will be with Mrs Edgar May 29th.

Next Friday the W. I. will entertain the Berta Vale-Serviceberry W. I. Rev. Pearson of Strathmore will be the speaker. Everyone is welcomed at this meeting and it is hoped all local people will attend.

ROCKYFORD

— By K. M. G. —

The death of Mrs Anna Kramine of Baintree occurred on Tuesday morning in her 90th year at the home of her only son Helmuth of Baintree. Mrs Kramine came from Prussia 50 years ago and resided in Ontario for a number of years. They then moved to Saskatchewan but since her husband's death, has made her home with her son and his wife and family, first at Alask then for the last four years at Baintree. She is survived by her son, three daughters, Mrs Alfred Miller, Alask; Mrs H. Sages of Boechy, Sask; and the third at Innisfail, Alta. 12 grandchildren and one great grandchild. The funeral services were conducted by Rev. H. V. Ellison from the Rockyford United Church, Wednesday afternoon. Interment in the Rockyford cemetery and Jacques funeral home was in charge. The pall bearers were neighbors from Baintree. Wm. Milton, Pete Denboer, W. A. Lyons, F. E. Wyman, Colin Baker and Alfred Henke.

Mrs Agnes Erswell is relieving in the Post Office for a few days while Mrs Reish is in Calgary under the Doctor's care. We hope for Mrs Reish a speedy recovery.

The regular meeting of the United Church Ladies Aid met in the church parlors on Thursday, May 14th with the president Mrs R. Bragg conducting the business. The item requiring considerable attention was the problem of ways and means for acquiring the parsonage and a brand new paint job when possible. After the business of the day Mrs J. Kenworthy and Mrs C. A. Smith invited the ladies to the basement where they had prepared a delightful lunch at nicely arranged tables. Mrs R. Bragg and Mrs Allen will be hostesses at the next meeting on Thursday, May 28th.

Mr Wm. Burns of the R.C.A.F. spent a few days of his leave with Bob Stone before returning to his post at Edmonton. Mr Burns is a cousin of Miss Wanda Knapp and became fairly well acquainted here during his stay with us.

The heavy frosts of the last week have cut off the early wheat and barley making it look bad at present.

However it is believed this will come back in a short time.

Word has been received by Mr and Mrs Dahm of the safe arrival in England of their eldest son Sgt. J. Dahm, last week.

Private Norman Leslie has been home on leave for a week. He is in training in the east at present.

The Red Cross drive is well under way with everyone doing their bit to raise the Rockyford quota which the organization are confident will be realized before the end of the drive.

NAMAKA

By M. V.

The May meeting of the Ladies Aid was held at Mrs Robt. Biggar's home. The attendance was rather small. After the business was discussed the Rev. Hunt introduced a topic for a series of studies on a permanent-peace. This was very interesting and was freely discussed and enjoyed by all present. At the close of the meeting the hostess served a delicious lunch. The next meeting will be at Mrs Andrew Thomson's. Visitors are always welcome.

The Red Cross meeting will be at Mrs Biggar's home on the 28th. Will everyone please have their donations in for the Red Cross drive before that time.

This Blood May Save a Life

Through clinics located in most of the larger cities of Canada, the Canadian Red Cross is receiving 3,000 donations of blood each week which is made into life-giving serum for use in transfusions to wounded soldiers, sailors and airmen. So great is the demand that the Red Cross is increasing its facilities as rapidly as possible to take care of 5,000 donations each week. Above—Laboratory technicians take samples of each donation which is carefully tested.

The Children's Scrap Book

Bright and early one Saturday morning a cameraman dropped in on "The Children's Scrapbook" in CBC's Toronto studios, just to see what Peggy and all her friends really look like. Bubs flashed, cameras clicked, and here are the results—

Upped row, left to right—Mr Wister, the man who always makes things scan (really Doug Masters); Byng (Byng Whittaker) and Austin (Willis) laugh at a funny bit in the script. Music-maker Paul (Isidor Scherman) and Percy—he calls it Percy, but his real name's Bud Knapp—gaze in

wonder and admiration at the erudite Miss Bookworm, who's known to her friends and intimates as Lois Donaldson; Peggy (Peggy Loder), Mary Grannan, Supervisor of Children's Broadcasts for the CBC, and producer Sydney S. Brown hold a script conference before the rehearsal.

Lower row, left to right—Here's how it looks when Carol and her comments go on the air. Carol's real name is Carol Rodgers, and Bob Wright is really Bob Wright, Centre—Sydney S. Brown, the man who makes the

broadcast tick, tells his cast how it's done.

Right—Some of the boys and girls sit down to talk things over—from left to right—Austin, Bob, Byng, Carol (she of the comments) and Peggy.

"The Children's Scrapbook," now in its third season, is heard on the national network of the CBC and in the United States over stations of the Mutual Broadcasting System, every Saturday at 11:30 a.m. CDT (10:30 a.m. MDT).

Flax and Coarse Grains Production Needed as a War Measure

Farmers are urged by the Government to produce as much coarse grains and flaxseed as possible.

Coarse grains are required for the production of livestock and dairy products, and flaxseed is urgently needed for its oil content.

RED CROSS NEEDS MONEY

Do you want the parcels of food continued to prisoners of war?

Do you want the comforts continued to the sick in hospital at home or abroad?

Do you want the letters written home for those in hospital unable to write?

Do you want the thousand little extras that cheer the sick and lonely and give them faith still in humanity in this war-torn world?

Then give—and give liberally to the Red Cross Drive.

AIR FORCE CONFERENCE

A very momentous Conference is being held at Ottawa this week and "very specific questions" are being discussed and important decisions will necessarily result.

It is the joint air-force conference at which delegates from fourteen allied nations are taking part.

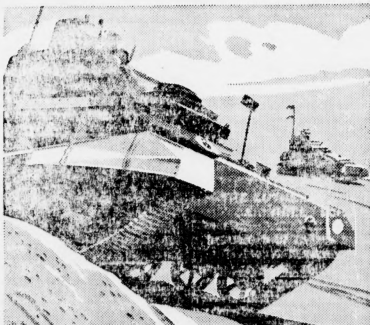

Rt. Hon. Harold Balfour is head of the British delegation.

Hon. C. G. Power, Minister of Air for Canada is chairman.

The public will not be given the details of this conference, but we may be assured the cause of the allies will be strengthened.

That Ottawa was chosen as the meeting place is significant of the increasing importance Canada is achieving.

WANTED—A good rain.

Thrift BUILDS TANKS

Never before has individual thrift been so vital a factor in our country's history. Every dollar we can save counts in the conduct of this war.

To overwhelm the enemy and hasten a victorious peace the Empire must have a modern, smooth running, hard hitting, fighting machine. But such a machine cannot be built without individual sacrifice—self denial—thrift.

Until this war is won make personal thrift your watchword. Watch your spending. Build up a reserve of fighting dollars out of current earnings. Save for victory.

F. W. GERSHAW
WRITES FROM OTTAWA

The House of Commons opened on Monday with almost every member present and with the Galleries crowded. All day and indeed for several days there had been rumors going around predicting a startling statement and a storm of protest from a large section of the Liberal Party. The Prime Minister rose at the very first possible moment and announced the resignation of his oldest Cabinet Colleague, Honourable A. Cardin. He read in a clear voice that could be heard by every member and by everyone in the crowded galleries; the letter he had received from the Minister of Transport. Mr. Cardin resigned as a protest against the Conscription measure. He felt that as he did not agree with the measure he should resign at once. In the four letters that had been written there was not the slightest descendant note, not the faintest sign of strained relations. There was a tone of sadness and of regret at the termination of a relationship that had been so friendly over a long period of years.

The announcement had a remarkable effect on the House and Galleries. Some were clearly angry and resentful and others were sorry but realized that it was inevitable none were happy or pleased. Mr. Cardin is a sick man. He has not very long to live and he stands high in the respect of all who know him. His letters were delivered to the Prime Minister by hand and nothing but the best of good will exists.

After the Bill was explained about fifty of the Quebec members left their places and went into a huddle to discuss the situation.

The Leader of the Opposition intimated that there would be further resignations but, at present, there are none.

The striking out of Clause III means that when soldiers enlist they are liable to go anywhere they are needed. This measure when passed will give the Government power to call up the different age groups when they are training facilities although postponement must be granted for those in essential industries. When trained the soldiers can be sent wherever needed by the High Command.

The Bill was not debated and other measures were proceeded with. It is expected that party lines will be disregarded when the measure comes up. All members are impressed with the seriousness of the decision and the welfare of the State will be the governing factor. Some are predicting further Cabinet differences of view resulting in a break up of the Government and a general War-time election but this does not seem likely at present.

"CANADIAN SOLDIER"

For one of a series of portraits of the men in Canada's army, Lillias Torrance Newton, R.C.A., has chosen a typical example of our fighting forces—young, alert, resolute, coolly defiant.

The title "Canadian Soldier" is as comprehensive as it is simple. This painting has been reproduced in Post Card size and is being placed free in canteens to be used by men serving the Canadian army.

WOMEN JOIN INDUSTRIAL PARADE

Not long ago this attractive Canadian girl looked upon a file as something used solely to manicure her nails. Today, after joining thousands of other girls in war industries, she can handle a file as deftly as any man

in turning out parts in an aircraft factory. It is estimated that between 50,000 and 75,000 women are now employed in industrial war work. Thousands more will be required to cope with manpower requirements as industry expands and men enlist.

"All Out War Effort"

Now don't you think we could do a bit better?

By finishing a job, just right to the letter.

For instance, I mean—old clothes that are dirty.

Some laundry concern could make them look pretty.

Thus do a great deal to aid this Effort of ours.

And really help out, a pretty Worthy cause.

Then there's paper and paste-board boxes you see.

Burnt by the thousands, because they're a little dirty.

If printer's ink can be washed out of paper.

Then why, can't we make use of old boxes and papers?

Get busy, dig out waste from your boxes and shelves.

It's an "All-out War Effort" we're trying to help.

And by doing so help Reduce Hitler to help.

This isn't a cause to be slighted at all. Now don't you think Hitler has plenty of gall?

He's sinking ships right under our nose.

It's something that all of us ought to oppose.

The St. Lawrence is getting a bit too close to home

So turn on the energy, there's plenty to be done.

To end this fight and see to it, we've won.

There's a job to be done, just right to the letter.

Now don't you think we could do a great deal better.

Don't take this as a scolding for something undone—

But, its to be hoped, it will spur us on, until Victory is won.

So its "Full Out War Effort," there is nothing to waste.

So it's of what we are dealt, we'll give Hitler a taste!

So that when we have finished, and when we have won;

We can look back and say, "It's a good job we've done. —V. Mack.

CHEADLE

by L. McL.

Cupid has been working overtime in Cheadle district this spring and no less than five weddings are in the offing. As a result this month has been full of showers and parties. The Cheadle W. W. held a double shower for Misses Renie and Jeanette Dunn at the home of Mrs A. MacLean. The brides-elect were each presented with a chenille bedspread as well as many

other useful gifts. Another lovely shower was held in the Cheadle hall for Miss Marguerite Kildea, R. N. whose marriage takes place early in June.

Not to be out done the men have also been entertaining. They held a stag party in honor of Mr L. H. Wood who leaves Cheadle shortly and to Mr M.

F. Welshmer whose marriage to Miss Hilda Fletcher, R. N. will take place soon.

Late but still sincere are our congratulations to Mr and Mrs Jack Kirton and Mr and Mrs Cecil Barber, proud parents of bouncing baby boys. As the bud said to the twig, "So long Pal, I think I'll leave."

Western Representative**

G. T. Williams, Vancouver business man, has been appointed Western representative of the Division of Simplified Practice of the Wartime Prices and Trade Board. He is responsible for explaining the objectives and methods of the division to different trade and industry groups. He will also aid them in organizing their own efficiency-economy programs. Mr. Williams will cover the four Western Provinces, Manitoba, Saskatchewan, Alberta and British Columbia.

In addition to interpreting the policies of the Division of Simplified Practice, he will represent the Western viewpoint and will communicate the ideas and suggestions of business and industry to the division in Ottawa.

After a two year clerkship in the Hudson's Bay Co. he entered the C. P. R. shops as an apprentice and spent seven years with the company. Later he became associated with business and financial enterprises in various executive positions. Through these channels, his work of the past few years has taken him into many different fields of business.

Consistent with the policy of the board, he will seek the close co-operation of business in effecting economies and conserving materials so essential to the prosecution of total war.

 WRITES FROM OTTAWA**

**ST. MARY AND MILK RIVER
 PROJECT—**

This is a brief outline of the report of the Committee appointed in 1941.

The 1909 treaty with U. S. A. allocated to Canada 362,000 feet of the St. Mary River's flow and 40,000 of the Milk River. Canada must construct such works at an early date to make use of this water or it will be lost. Some of the water is needed for existing projects and with the balance 345,000 acres could be irrigated to provide homes for people on submarginal lands and for post war settlement. The costs of construction of the large reservoirs and canals should not be charged against the land. If irrigated, this area would make happy homes, better living standards and better social and educational facilities. It would also increase the production of live stock, dairy products, canning products, etc.

The cost of irrigating 345,000 acres would be \$15,178,439 or \$43.99 per acre for construction, operation deficits, land preparation and colonization over 14 years.

The reservoirs and connecting canals would store Canada's share and should be paid for by the Dominion. The cost would be \$7,192,419 and would be non-recoverable.

The other works would be built and maintained by the Province at a cost of \$7,985,986 and the Province would apportion the amounts to be paid by the farmer.

Dominion and Provincial legislation should be passed without delay as Canada is now wasting 55 per cent of its share of the waters of the St. Mary and all the Milk River. With the water from the Belly and Waterton rivers diverted into the St. Mary Reservoir, some 795,700 acre feet would be available.

There are 508,800 acres irrigated in Alberta now in 12 districts. The main areas of this proposed extension would be (1) The area along the Lethbridge-Medicine Hat Railway, (2) The Milk River area South East of Lethbridge.

The proposed programme calls for a 14 year period of construction. The 3rd year would develop 24,600 acres in the Grassy Lake and Burdette tracts. The 4th year would develop 27,000 acres in the Yellow Lake and Purple Springs area. The 5th year 42,400 acres would be developed in the Big Bend and Medicine Hat areas. As some of the rivers pour into the South Saskatchewan River, the flow in the said river would be diminished by about 12 per cent and in a low year 28.

In 1940 Sugar Beets with sugar content of more than 17 per cent were grown. The yield was 14.10 tons per acre and the selling price \$7.00 per ton.

Some of the irrigable land east of the Forty Mile Coulee is above the

main canal elevation and can only be served by pumping. Power projects can be developed at drops in the Main Canal between St. Mary's River and Chin Coulee.

The members of the Berta Vale Serviceberry W. I. were entertained at the home of Mrs. Olsen on May 7. Some very nice Mothers' Day verses were given for the roll call. Mrs. North read a paper on "Mothers' Day" telling how it originated and the great part mothers play in the life of a nation. Mrs. Backs gave a very good paper on Agriculture and both ladies were the recipients of much applause. Another name was added to our list of members, that of Mrs. F. Hilton. A number of ladies helped to cut out the various garments for a baby layette. A delicious tea brought to a close a busy and entertaining afternoon.

**Emergency Change in Price Rates
 of Hog Grades**

Like Easter bonnets, fashions in hogs change too. A little more weight he paid for B-3 hogs as lighter weights in the same grade category does not represent a radical change in the minds of Canadian Bacon Board officials. They have been urging heavier weights in order to make more certain that the 600,000,000 lb. British bacon contract will be fulfilled or exceeded. The change should be regarded as a temporary expedient rather than a permanent measure. The object is to get more pounds of bacon from the hogs marketed. Farmers are asked not to market a hog until it has reached at least 200 lbs. live weight. This should be good news for farmers. A little more finish can be put on their hogs with that extra barley they are planning to grow this year, without fear of a price discount on B-3 hogs weighing around 220 lbs. The change in price regulations does not apply to C-3 or D-3 grades.

There are six official carcass grades. These are "A", "B", "C", "D", "E" and "Sows." "A's" are carcasses from top quality bacon hogs. The remaining grades decrease progressively in general quality.

Grade	Carcass Weight Range	
	Class 1	Class 2
"A"	140-170	lbs.
"B"	135-175	125-134
"C"	135-175	120-134
"D"	135-175	120-134
"E"	Includes—unfinished, oily, rejected, condemned, physically injured, stags or ridlings.	
Sows	Includes all females that have raised one or more litters.	

Page 59 of the Producers Grading Guide, published by the North-West Line Elevators Association, describes and indicates the weight ranges for the hog grades. If you should not have a copy of this booklet which, incidentally, outlines the official grade descriptions for all prairie farm products, your local line elevator grain buyer will gladly secure one for you. — Contributed by T. STANDARD

— By S. D. —

The Standard W. I. Girls Club held their annual Mothers' and Daughters' banquet on Saturday, May 9th in the Masonic Hall. The banquet table was decorated with spring flowers and the club colors. A delightful program was enjoyed by thirty parents. Guest speakers for the afternoon included Mrs. Thurston of Nightingale, who gave a splendid talk to the girls, and Mrs. Bell from Hussar also spoke. Toast to the mothers was given by Doris Sorensen and the response was given by Mrs. C. P. Dahl.

The students of Dana school are working hard these days collecting salvage from every home in the district. A large quantity of rubber tires, metals, wool and paper is now on hand and ready for shipment when the drive is completed.

The Young People's Society held their annual parents' day Sunday, May 10th in the church basement. Toast to the mothers was given by

Mrs. Gerda Rasmussen. Mrs. Alfred Peterson responding. Mr. Elmer Jensen proposed the toast to the fathers, while Mr. J. Madsen responded. A varied program included music and readings.

The United Church Ladies Aid held their meeting at the home of Mrs. J. Foss. The following officers were elected for the coming year. President, Mrs. Lee; Vice-President, Mrs. J. Foss; Secretary, Mrs. R. C. Hutch. Besides being very actively engaged in Red Cross and war work throughout the year, the sum of \$76 has been contributed to the Local Red Cross Branch.

PLEASE NOTE—

CARSELAND

by R. C.

A good congregation attended the services conducted by Dr. Powell in United Church last Sunday. This was Dr. Powell's last official service after 48 years in the work of the church and Home Missions.

Rev. H. Clegg is in attendance at the Conference being held in Edmonton during the week.

Service next Sunday, May 24 will be conducted by the C. G. I. T. Group under the direction of Miss Gillanders.

Services will be held at 12 noon for the summer months, except the First Sunday of the month when it will be held in the evening at 8 p.m.

On Monday evening last the Carceland C. G. I. T. were guests of the Dalemead girls at the home of Mrs. Charlie McKinnon, where supper was served at 6.30 p.m. The special occasion was the visit of Miss Lillian

Carscadden, B. A. General Secretary of the Religious Education Council of Alberta, and Provincial Secretary of the Girls Work Board. Miss Carscadden gave valuable assistance in conducting group games on the lawn with the girls, following which Camp Fire songs were rehearsed. Miss Carscadden then gave a very inspiring and helpful talk on the purpose of the C. G. I. T. and conducted a candle lighting service of worship, at the close of which she presented a gold star and pennant to the Dalemead group for their very successful effort in the recent star selling campaign. This contribution entitles the Dalemead girls to two camp fellowships this summer. Mrs. Cool and Mr. Forbes kindly furnished transportation for the Carceland group.

Special Announcement—

An opportunity to help the "Milk for Britain Fund" is being provided for this community. On Saturday evening, May 30th at the residence of Mr. and Mrs. Lea a male choir from the No. 37 Air Training School at Calgary consisting of 40 voices under the direction of Mr. Glendwyer Jones will give a concert in aid of the above fund. The Junior Room of the Carceland School will stage a Maypole Dance on the lawn. Hot dogs will be served from 6 o'clock on. This event is being sponsored by the Women of

the community. The admission is 50 cents for adults, children free.

Mrs. Jamieson is entertaining a couple of the boys from the air force who are on leave. One of them is LAC T. Buchanan, a Scotch boy from Aberdeenshire, who is on a month's sick leave. He spent the first week at Mrs. Lea's. The other arrived Monday night on leave train.

Archie McNeill who has enlisted in the R. C. A. F. left Sunday night for Toronto for further training. Mrs. McNeill and their small son Carter will remain in Calgary for the present.

Ottawa May Work
Alberta Tar Sands—

Ottawa—Munitions Minister Howe told the house that the government might enter into direct development of the Alberta tar sands if investigation justified it.

If the government did enter upon this venture the plant would be a big one, the minister said, costing some millions of dollars. But plans were so uncertain he could not make a definite announcement.

Don't be a CUPBOARD QUISLING!

"Cupboard Quislings"! Is that too hard a name for people who selfishly lay in unnecessary stocks of clothes or food, or other goods for fear of shortages?

No! The name is not too hard, even though it may be earned through thoughtlessness. For in reality they are doing, in a petty, mean way, what the Quisling does in the open.

Anyone who buys more than is necessary for current needs—

Is breaking his country's law for personal advantage.

Is betraying his loyal neighbours and those who are not so well off as he.

Is, in effect, depriving our fighting men of the munitions and supplies they must have to defend us.

Is hindering our war effort and helping our enemies.

Loyal citizens avoid putting unnecessary and abnormal strains on our factories. In time of war, loyal citizens do not spend one dollar more on civilian goods than is absolutely necessary for current needs.

The law provides for fines up to \$5,000 and imprisonment up to two years for hoarding; and hoarding is just another word for unnecessary selfish buying.

In cases where it is advisable for you to buy in advance of your immediate requirements—such as your next season's coal supply—you will be encouraged to do so by direct statement from responsible officials.

The Strathmore Standard,
Strathmore, Alta.

Dear Mrs. Moore,—

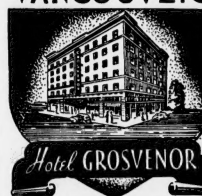

I am very pleased to inform you that I am now receiving "The Standard" quite regularly, thanks to your thoughtfulness in sending it to "the boys" over here. You may be sure that we appreciate this method of keeping us informed with the "home town" news.

I am the only Strathmoreite on this particular squadron, but there are several Calgaryans, and fellows from surrounding districts who find many items of interest in the "local news" column. It gives them quite a kick to run across names of old friends and acquaintances in "our paper."

Of course all Canadian mail takes about four weeks to reach us but even so the news is still very welcome and your paper is read from cover to cover. I will close by saying thank you and please keep up the good work.

Yours truly, BILL.
